

CPD SEMINAR *with*

Nette Humphreys

The Welsh School of Homoeopathy is hosting a series of special Continuing Professional Development events and invites you to participate. We are now offering a series of one day events to be held from **10.00 to 17.30** at our premises in Carmarthen.

These events will provide an opportunity to experience and explore in depth the Tao of Homoeopathy as practised by some of the most accomplished and well-known practitioners.

We have invited **Nette Humphreys** to host the next of these events which will take place on **Monday March 9th 2020.**

The cost for this seminar is **£65** and includes refreshments but not lunch. If you would like to join us for this special event then please complete the attached application form.

Nette Humphreys

Nette qualified from the Sheffield Classical College of Homoeopathy in 1998. She has also been influenced by the work of Jeremy Sherr and Rajan Sankaran.

Access to homoeopathic treatment has always been important to Nette so she runs a half price teaching clinic and also runs introductory courses for acute/first aid situations in the home.

She is a 'full time' homoeopath, aiming to keep things simple with classical but sometimes 'funky' prescriptions.

Nette was very involved with the Rabbit proving.

**Anatomy, Physiology & Pathology
From a Homoeopathic Perspective**

What are the physical symptoms expressing about a person? How is this reflected in the emotional picture? What are the symptoms saying that the person is not verbalising?

It can be a minefield when the case is full of pathology and multiple medications. This day will be spent exploring how not to get overwhelmed by all the information that this brings and to see how it all fits with the bigger picture.

Nette is a very interactive teacher who loves A&P/P&D. She will be inviting you to get inside your own body to explore your own bodily sensations - this will then act as a useful tool for case taking with your patients.

Nette also welcomes any of your cases to be discussed - so bring them along with you.
